## PUPIL PROGRESS

At the end of every school year, teachers use formative assessment to grade pupils' overall progress for the year. Pupils also do tests in specific curriculum areas such as Reading, Maths and Spelling, Punctuation and Grammar. The test scores are excellent this term and the teachers are very proud of their pupils' efforts. All of the children have worked very hard this year and the overall progress of the school is excellent.

## PARENTS EVENING

This week has also been Parents' Evening. This was a great opportunity for parents to engage with their child's class teacher and ask any questions about their child's learning.

If you would like to arrange to virtual meet with your child's class teacher, please do so via Google Classroom or make an appointment via the School Office.

## DODGER THE DOG VISITS MONEGA

Dodger the Dog is coming to visit Monega Primary School on Tuesday 13th July 2021. Some children will get the opportunity to read with Dodger. If you do not want your child to read with Dodger, please tell your class teacher.

Children will be able to purchase a book for £5 if they wish. Could any money please be brought on the morning in a sealed envelope.

## ENTERPRISE FAIR AT MONEGA

Next week, Monega will be celebrating Enterprise Fair on **Tuesday 13th July 2021**. Each year group will be making and selling different items to sell. Items will cost between **50p to £1.00**.

If you would like your child to participate in the fair, children can bring in up to £5.00 to spend on products.

**We look forward to seeing lots of you at the Fair.**

Children who arrive at school at 8:30am are making more progress in reading!!

Please give your child the same chance. Please arrive at 8:30am so children can benefit from the extra reading time.

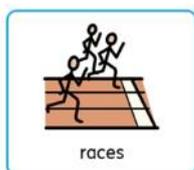

## MONEGA SPORTS DAY

At this time of year, we would typically be holding our annual Sports Day event, where all children compete together in a range of sports competitions. This year, Sports Day looked a little bit different at Monega; all year groups had their very own event. The children loved all of the different challenges.

It was great to see children using their fundamental movement skills, their knowledge of games and their technical skills. In the older year groups, children applied strategy to their challenges and tried to outwit each other. Please speak to your child about Sports Day. See if your child can remember the different sports that they played and explain the events that they completed.
