

The Monega Messenger

Dear Parents/Carers,

On behalf of all staff, I would like to warmly welcome you all back to a new school year.

Although the Covid pandemic has seen significant progress in the vaccinations program, we are still being careful. Hygiene levels in the school are still elevated and children are washing their hands regularly. I want to thank everyone for being so patient with the systems in place.

As we look forward to a new academic year, we will talk with the children about the progress and achievements that they will be making. We would encourage you to always ask your children about school and encourage them to talk about their learning.

As with every year, we welcome new members of staff. We are very excited to be working with three trainees teachers this year and I know that everyone in the Monega community will make them feel very welcome. Equally, we have some very experienced support staff joining the team. Below you can see their names and faces to help you identify them.

Ms E Harris

NEW STAFF AT MONEGA

We would like to welcome some new members of Monega staff.

Charlotte Harris
Trainee Teacher

Laurenz Hussain
Trainee Teacher

Darlene Anderson

outside gates.
Queue orderly for
entry.

Please continue to
maintain distance
between yourselves
and others.

Only one parent at
a time is allowed to
collect a pupil.

Avoid talking in
groups.

Thank you!

CONTINUING TO MANAGE THE PANDEMIC

It is very important for children to experience as much normality and stability in school as possible. However we still need to be vigilant.

We continue to:

1. Ensure good hygiene for everyone
2. Maintain appropriate cleaning regimes
3. Keep occupied spaces well ventilated
4. Follow Public Health England advice on testing, self-isolation and managing confirmed cases of COVID-19
5. Share and encourage the catch it, bin it, kill it message.

REMINDER:

Children under the age of 18 years old will no longer be required to self-isolate if they are close contact of a positive COVID-19 case.

Measures are in place to continue to mitigate the spread of Covid-19 and keep everyone safe and well at all times. Our risk assessment is reviewed regularly, internally and externally.

CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.

IMPORTANT INFORMATION - UNIFORM

We are really pleased to see that almost all children have remembered the uniform rules.

This is just a reminder:

Black shoes only

NO white soles

Red ties for all children

SHOES

AFTER SCHOOL CLUB INFORMATION

Please can all children in Year 1 to Year 6 bring in their PE kits as PE lessons will be starting from **Monday 6th September 2021**.

After school clubs will be starting again on **Monday 13th September 2021** from **3:15pm - 4:15pm** **Mondays to Thursdays**.

Please note that no clubs will be running on **Fridays and Parents' Evenings**.

We will be sending out a google form for all parents to complete online soon.
