### LITTLE CHEFS IN NURSERY

Children in Nursery have been growing vegetables in the garden! Last week, they harvested a gigantic bottle gourd (Kodu in Bengali), some green chillies and some coriander.

The children cut up the vegetables and made a curry using Mrs Patel's special recipe. They laid the table by themselves and sat down together to enjoy it. The curry was delicious and the children finished everything on their plates. What an amazing experience - wait and see what we grow next!

### SCHOOL UNIFORM

## BIKEABILITY AT MONEGA

At Monega, we have been learning to ride our bikes with 'Bikeability.'  
Bikeability is the Government's national cycle training programme.

Bikeability helps children to learn practical skills and understand how to cycle on today's roads.

Our Year 4 pupils started their training in the playground, which meant they got to practice riding in a traffic-free environment.

By the end of the week, the Bikeability instructors took them onto quiet roads around the local area, to experience "real" cycling.

Everyone thoroughly enjoyed the experience and all passed the course.

## GRANDPARENTS DAY

On Friday 1st October 2021, we welcomed our lovely grandparents to celebrate Grandparents Day with us. There was a delightful atmosphere in school with the children's excitement at sharing a story with their grandparents.

Some of the older pupils provided entertainment by reciting poetry and there was a guitar performance too. It was a pleasure to be able to host an in-school event once again.

## ATTENDANCE

This week's attendance winners are

KS1: **2A** with **95.8%**

KS2: **5FR** with **97.1%**
