

The Monega Messenger

Dear Parents/Carers,

On behalf of all the staff, I would like to warmly welcome everyone back to school and wish you a Happy New Year.

Although we have seen progress within the pandemic we are all aware that new variants still provide us with challenges, both in the community and at school. I want to thank all those families that have been so supportive of our queuing systems, continue to protecting my team by wearing masks and keeping a clear distance where possible. All of these steps are important in supporting further progress.

We are very excited to be welcoming two new trainee teachers in Year 1 and 2. I know that everyone in the Monega community will make them feel very welcome. It has been lovely to have all the children back at school and I hope if you ask them about the artists that they have been studying they will be able to recall and share their learning with you. Children talking about their learning is very important. It is something we are asking them to do all the time at school.

This is an important term because teachers will be writing pupils' annual reports. These will help to ensure that we are clear about pupils progress and their next steps in learning.

I would like to thank those families who have shown their appreciation to my team on our return. Your support means a huge amount and we know that working together with you brings the best results.

Please be reminded that After School Clubs will be starting back on
Wednesday 12 January 2022.

Please use the link below to access the online form and sign your child up for a club.

<http://www.monegapahub.co.uk>

Please note Tuesday 11th January will be the cut off date.

Please note that club spaces are offered on a first come first serve basis. If your child receives a return slip, that is confirmation of their allocated club.

Please note clubs will start from
3:15pm - 4:15pm Mondays to Thursdays.

No after school clubs on Parents Evenings.

READY FOR SCHOOL

We would like to remind all parents and carers to encourage all children, especially in KS2, to come to school ready with all their school belongings ready to start the school day.

The School Office will no longer be accepting any school bags, PE kits, homework books or water bottles.

It is important to embed the importance of getting children into a good routine of remembering and taking responsibility of getting all of their school items ready night before.

If KS2 children forget PE kits, children will have to miss out. No calls will be made to parents or carers. Please check with your child's class teacher days your child has PE lessons.

We want to help prepare our young learners of being responsible individuals.

Thank you for your continued support.

WELFARE AND MEDICAL

Please remember to notify the school of any updates regarding any medical conditions that your child may have. This includes any newly diagnosed allergies or conditions.

Sickness and Diarrhoea

If your child has suffered from sickness and/or diarrhoea, they must stay at home for 48 hours after their last episode before they can come back to school.

Medication & Asthma Inhalers

You will be notified one month in advance of the expiry date of any medication kept at school for your child. All medication will be returned to the child's class teacher at the end of the school day. We ask that you replace or provide the school with new medication as soon as possible.

Reporting your child absent

Please call the School Office if your child/children are off due to sickness. Please call the School Office by 9am.
