THE IMPORTANCE OF **READING** EVERYDAY

Reading is the most important skill that your child will learn at school. It's the skill that can open up so many other opportunities. We expect all pupils to read at home everyday for at least **10 minutes** and we expect parents to read with, or alongside their children regularly.

Giving time to your child in this way can make an enormous difference to their progress. We also want you to use the opportunity of morning reading time.

Please bring your children to school at **8:30am** everyday so that they can benefit from this exceptional opportunity.

We have invested lots of money in to high-quality books from a range of different genres and authors.

Thank you for your continuous support.
