

The Monega Messenger

Dear Parents and Carers,

It has been a pleasure welcoming pupils back to school this week. The summer term is always an important term, where pupils complete national assessments and summarise all the important learning from across the year. It is very important that we continue to work together to ensure children complete homework and maximise all possible progress.

It is also a term of excitement with celebrations, workshops, events and educational visits.

I would like to thank those parents that show patience and support by lining up everyday and using the one way systems at gates. We understand that restrictions have been reduced in the community but it still remains important that our school systems are followed.

Please remember if you have any concerns or would like to talk us, senior leaders are always on the gate.

Thank you
Best wishes
Ms E Harris

WORLD AUTISM AWARENESS DAY (WAAD)

On Friday 1st April, we celebrated Autism Acceptance Day. Staff and children brought £1 and wore blue to show their respect and understanding of people with special needs. The children had a special PSHE lesson to celebrate our similarities and differences. Yaseen in 1G showed a great understanding and compassion for Autism by stating that, 'Like our finger prints, all children with Autism are different.' He was awarded our Autism Acceptance Champion Certificate.

In Nursery, the children took part in an Attention Autism activity. They participated in a fun bucket session and for stage two and three, they created beautiful egg prints. We raised **£341** for the National Autistic Society.

Well done Monega and everyone that donated to a great cause.

Thank you

NURSERY GET GROWING

Nursery's new topic this term is 'Get Growing'. To develop their understanding of growing, the children did some amazing home learning during the Easter holidays. Lots of the children grew vegetables from scraps such as carrots, lettuce and spring onions. Some children also planted seeds including basil, mint, lemon and chilli. We are so proud of our young gardeners!

Every Day Counts

TIMES TABLES ROCK STARS TOURNAMENT WINNERS!

Well done to **4S** - TTRS winners. Please ensure that your child logs into their TTRs and completes their homework each week in order to help their class win this weekly competition. It is recommended that that your child does a little bit of times table practice every night. Short bursts of practise on a daily basis are more effective than spending hours once a week. Thank you for your support and I am sure your hard work and theirs will have a direct impact and make them a Times Table Rock Star!
