

The Monega Messenger

SCHOOL COUNCIL

School Council, Rainbow Ambassadors and Playground Buddies organised

a range of activities to raise awareness on Mental Health.

KS1 children took part in music sessions with older children.

School Council members interviewed new potential playground buddies.

Pupils were sharing positive quotes to have a positive impact on their mental wellbeing.

All children played outdoor games and had lots of fun in the process.

It was a great success and children enjoyed it very much! Well done to the School Council and their additional helpers for organising.

YEAR 2 SATS EXAMS

Well done to all the Year 2 pupils! The children have worked really hard in the build up to their SATs. They will now focus on readiness for Key Stage Two in September.

Dear Parents and Carers

From time to time, members of staff will achieve promotions in a new setting. Although this is sad news for Monega, we are always pleased for people when they make progress in their career.

I'm sure that you will join me in wishing Ms Parmar the very best in her new role in another local primary school. She has been an incredible support to the SEN team and will certainly be missed.

GRANDPARENTS MORNING

Year 5 invited parents and grandparents to a parent workshop.

Family members shared stories about immigrating and growing up in our local area.

We discussed how the area has changed over the years and compared life now to how it was previously.

We will be using the stories in our new play.

Design and Technology!

Halima Gothan in 4S has used the skills that she has learnt in DT to create her own pretty pencil case at home. All of Halima's teachers are very proud of her for transferring skills that she has been learning in school to benefit her life at home.

Fantastic work, Halima!
Well done!
