

The Monega Messenger

Dear Parents and Carers,

It's been an incredibly busy term with pupils in Year 2 and Year 6 completing Standard Assessment Tests. Monega also welcomed important visitors and pupils engaged in range of exciting enrichment activities.

We are incredibly proud of the children as they have worked so hard to do their very best. Pupils in Year 6 have shown particular maturity in recent weeks and it is clear that they are well prepared for their next step into secondary school.

Next week is a time to enjoy as a family. We encourage children to keep reading and practising their timetables, but also to go out and enjoy the parks, swimming or visits to special places together.

We look forward to welcoming you back on Monday 6th June. Please can I remind everyone to arrive promptly at school at 8.30. It is very clear that those children who are arriving early are making more progress with their reading.

Best wishes for half-term,
Miss Harris

SPORTS SLAM!

This month, the pupils in KS2 have participated in Sports Slam, in partnership with Sports Direct. As a participating school, we were sent brand new equipment. The children were tasked with creating their very own sport!

The children were really creative and used the 5Cs when working as a team. Further to this, they learned new skills in athletics, tennis and basketball.

Children who participated were encouraged to get creative and design their own poster, promoting their new sport. The best posters will be entered in a nation-wide competition that could result prizes!
