INTERNATIONAL VISITORS

Once again our international visitors came to Monega to learn about and experience our inclusive culture.

Lead by Ms Hall, they toured the school and visited classes. They observed interventions to get an insight into how we support all members of our Monega community.

They were thoroughly impressed with the support our children receive and the high quality of our tailored interventions. Well done team!

THAMES BARRIER VISIT

Year 3 went on a Geography educational visit to the Thames Barrier. All 3 classes attended and took part in observing and sketching the Thames Barrier. They also discussed the importance of the barrier to the city of London. They observed the water level first thing in the morning and then returned after lunch to see that the water level had risen due to the high tide.

All three classes discussed that if the water level was too high, the barrier would close so that the city of London could be safe and protected.

HEALTHY PACKED LUNCHES

Please be reminded that Monega is a nut free school and part of Healthy School London. Therefore we encourage all parents to make sure you send your children to school with a healthy packed lunch and to avoid products containing nuts.

Packed lunches containing takeaways will also not be accepted and your child will be given a school meal instead.
Thank you for your continued co-operation.
